A Required Course for Entrepreneurship & Logistic Management Certificates

**Prerequisite:** Student’s non-paid internship must be in a local entrepreneurial operation.

Total lecture 18 hours, total laboratory 54 hours.

The primary objective of this course is to give students practical experience working in an entrepreneurial operation and relate their college learning experience to the world of work.

Students will intern at a nonpaid academically related work station (business, government, or nonprofit agency) and meet with an instructor weekly to prepare a reflective journal, final report, and work station evaluation. (A/CSU)
