Porterville College’s Cultural Historical Awareness Program (C.H.A.P.) presents "Climate and Ancient Civilizations: An Archaeologist Looks at Cooling and Warming" with renowned author and archaeologist Dr. David Graber in the PC Theater. The event is under the direction of Chief Pat Coyle who is a Certified Culinary Educator that retired from Bakersfield College (BC) in July. For over 30 years, he was the Instructor and Division chair of BC’s Culinary Arts Program & Renegade Dining Room. Additionally, as BC’s Food Service Director he oversaw the preparation of meals for over 30,000 students, staff and the Child Development Center. Prior to joining BC, Chief Coyle established the food service operations at Taft College. Also, he was an U.S. Army Staff Sergeant managing food operations. He is an American Culinary Society member and twice recipient of the Bakersfield Chef of the Year Award.

The event is the consequence of Dr. Graber’s commitment to C.H.A.P. members each school year, and faculty members across the campus are encouraged to integrate elements of that theme into their coursework. Additionally, a variety of field trips, guest speakers, panel discussions and videos are presented throughout the year and are all open to the public. For more information about C.H.A.P. call Richard Osborne at (559) 791-2298.

Porterville College is located at 100 E. College Avenue in Porterville. For more information visit www.portervillecollege.edu or call (559) 791-2200.

Campus Calendar

March
7- Fifth Annual Hall of Fame Induction Banquet, 5:30 p.m. Social Hour, 6:30 p.m. Dinner. Tickets are 150 each. Call (559) 791-2319 for more information.
March 30 - April 3 - Spring Recess
April
3 - Spring holiday - campus closed
8 - Priority registration begins for summer/fall 2015 for continuing students
22 - Registration begins for summer/fall 2015 for returning and new students
May
9 - 15 - Finals exams for Spring Semester
15 - Commencement at Jamison Stadium
25 - Memorial Day holiday - campus closed

TREASURE CAFE/PORTERVILLE COLLEGE

Porterville College is pleased to announce that its Treasure Café is now open to the public from 7:30 a.m. to 2 p.m. Monday through Thursday for breakfast and lunch. The Treasure Café features freshly made soups, salads, wraps and an array of grill items. The café is located inside the Student Center.

Park permits are required to visit the Treasure Café. Failure to use a parking permit will result in ticketing. Please contact the front desk in the Academic Center building for a temporary parking permit.

The Treasure Café is under the direction of Chief Pat Coyle who is a Certified Culinary Educator that retired from Bakersfield College (BC) in July. For over 30 years, he was the Instructor and Division chair of BC’s Culinary Arts Program & Renegade Dining Room. Additionally, as BC’s Food Service Director he oversaw the preparation of meals for over 30,000 students, staff and the Child Development Center. Prior to joining BC, Chief Coyle established the food service operations at Taft College. Also, he was an U.S. Army Staff Sergeant managing food operations. He is an American Culinary Society member and twice recipient of the Bakersfield Chef of the Year Award.

The Treasure Café/Student Center is available for rental, along with catering options. If you have any questions or to schedule catering services, please contact the Chief Pat Coyle at (559) 791-2343 or email pcoyle@bakersfieldcollege.edu

PC Offering Late Start Classes
Porterville College is offering several late start classes for both new and returning students. Late start classes offer a semester’s worth of units in half the time.

Late start options include such classes as: Intro Windows Spreadsheet/Excel, Intro to English for Second Language Learners, Principles of Marketing, Intro to Database/Access, Principles of Economics/ Macroeconomics (Online) and more. For a full list of late start classes visit www.portervillecollege.edu, click “Programs and Classes,” “Schedule of Classes” and then click “Late Start Classes.” PC also offers community education, online, weekend classes, as well as summer school. Even if you work full time and have a family, Porterville College can help you accomplish your educational goals. PC offers childcare, financial aid and assistance, scholarships, student work programs and evening classes.

To apply visit www.portervillecollege.edu and click on the “Future Student” tab. Applications are available online.

Porterville College is located at 100 East College Avenue in Porterville. For more information visit www.portervillecollege.edu or call (559) 791-2200.

PORTERVILLE COLLEGE C.H.A.P. Cultural Historical Awareness Program

The First World War marked a transformation in women’s lives, both in Europe and in the United States. Societal norms were turned upside-down as women flooded the workforce and gained new political rights.

The Great War touched women’s lives in profound ways, altering their place in society and opening the path for continued change. The talk will take place from 11:30 a.m. to 12:30 p.m. in the PC Theater. The event is open to the public and free to attend. Please visit the front desk to obtain a parking permit for the event.

Don’t miss a special talk on Wednesday, April 8 titled “Early Automobiles” presented by Dr. Michael Sullivan in the PC Theater. The talk will be accompanied by an antique auto display courtesy of members of the Los Angeles area in the PC Quad area from 9:30 a.m. to 11 a.m.

On Wednesday, April 22, join us for a special talk titled “Ecological Restoration in a Time of Mass Extinction” by retired Chief Scientist of the National Park Service, Dr. David Graber in the PC Theater. Conservation scientists around the globe are in broad agreement that the earth has entered a mass extinction event. Unlike past mass extinctions, which were associated with extreme geological events, it is evident that this event is the consequence of landscape conversion to human use, and anthropogenic global warming. As tragic as this is for those who value nature, there are encouraging examples of ecological restoration in our region ranging from individual species to whole ecosystems. The talk will take place from 11:30 a.m. to 12:30 p.m. in the PC Theater. The event is open to the public and free to attend. Please visit the front desk to obtain a parking permit for the event.

For more information visit www.portervillecollege.edu or call (559) 791-2200.

Campus News

C.H.A.P. Spring Schedule looks at environmental issues and WWII
Porterville College’s Cultural Historical Awareness Program (C.H.A.P.) will continue its spring schedule at 7 p.m. on Friday, March 13 in the PC Theater with “A Century of Disaster: The Dark Legacy of the Great War” presented by PC History Professor Jay Hargis.

In 1914 Europeans rushed to destroy their world in what we now call World War I. Over the next four years more and more parts of the world, including the United States, were drawn into this conflict. The myth of the war is that it ended in victory in 1918, but in truth, the problems it created and/or failed to solve have smoldered over a century to the present day. Its legacy of death, disease and continuing conflict threatens us all. The talk will take place from 7-8 p.m. in the PC Theater.

The event is open to the public and free to attend. Parking permits will not be required for the event.

On Friday, March 20 don’t miss a special C.H.A.P. talk entitled “Climate and Ancient Civilizations: An Archaeologist Looks at Cooling and Warming” with Professor Emeritus at UC Santa Barbara, Dr. Brian Fagen. Did climatic shifts collapse civilizations? How did rising sea levels affect history? Have El Niño’s changed human societies beyond recognition? Dr. Fagen, renowned author and archaeologist takes us on a 10,000 year journey as he describes the complex relationships between a wide variety of human societies and long- and short-term climate change. He shows us how today’s warming world has roots that go back deep into the past. The talk will take place from 7-8 p.m. in the PC Theater. The event is open to the public and free to attend. Please visit the front desk to obtain a parking permit for the event.

Don’t miss a special talk on Wednesday, April 8 titled “Early Automobiles” presented by Dr. Michael Sullivan in the PC Theater. The talk will be accompanied by an antique auto display courtesy of members of the Los Angeles area in the PC Quad area from 9:30 a.m. to 11 a.m.

PC Foundation Hall of Fame Banquet Speaker and Recipients

The Porterville College Foundation would like to congratulate the 2015 Hall of Fame recipients. An awards and induction dinner will be held on March 7 at the River Island Country Club in honor of the recipients and their families.

Dr. Horace Mitchell

Dr. Horace Mitchell became the fourth President of California State University, Bakersfield (CSUB) in July 2004 after thirty-six years of experience in higher education. Under Dr. Mitchell’s leadership, the University is in a period of rapid development, with a vision to expand the excellence and diversity of the faculty and academic programs, enhance the quality of the student experience and strengthen community engagement.

Dr. Mitchell came to his current position from the University of California, Berkeley, where he served as Vice Chancellor, Business and Administrative Services (1995-2004) and affiliated professor, African American Studies (1996-2004). Upon leaving UC Berkeley, he was awarded the Berkeley Citation, one of the campus’ highest honors. Also, the title Vice Chancellor-Business Affairs, Emeritus was bestowed on him by the President of the University of California system.

Dr. Mitchell holds a bachelor’s degree in psychology, a master of arts in education, and a Ph.D. in counseling psychology, all from Washington University in St. Louis. He began his professional career at his alma mater in 1968, serving as assistant dean of the College of Arts and Sciences (1968-1973), assistant professor of Education and Black Studies (1973-78), and Chair of the Black Studies Program (1976-78).

Dr. Mitchell then spent seventeen years (1978-1995) at the University of California, Irvine (UCI), serving in several faculty and management positions. He was Associate Dean for Student and Curricular Affairs in the UCI College of Medicine from 1980-1984. During his last eleven years at UCI (1984-1995), he was Vice Chancellor-Student Affairs and Campus Life, and Associate Clinical Professor of Psychiatry and Human Behavior. Dr. Mitchell, also a Professor of Psychology at CSUB, has teaching and research interests in the areas of identity construction, multicultural psychology, and psychological assessment. He continues to teach each year, and he maintains his California license for private practice as a psychologist.

Dr. Mitchell has served on the board of directors of the American Council on Education (ACE) and is a past commissioner and vice chair of the Western Association of Schools and Colleges (WSC). He has served on the NCAA Board of Governors and on the NCAA Division I Board of Directors. He is a member of the board of directors of the United Way of Kern County and the National Association of College and University Business Officers (NACUBO).

He has been recognized widely for his many years of community service by civic, non-profit, governmental, educational and professional organizations.

In May of 2006, Dr. Mitchell was named the recipient of the 2005-2006 “Roberts C. Massman President of the Year Award” given by the California State Student Association which represents over 400,000 CSU students. He received the “Distinguished Alumnus Award” from Washington University in St. Louis in May 2008. In November 2010 he received the “President’s Award” from the National Association of Student Personnel Administrators Region VI.

Dr. Mitchell and “First Lady” Barbara Mitchell have been married for 48 years. Mrs. Mitchell’s education and professional career have been in the areas of nursing, counseling, social work and educational administration. She is an adjunct faculty member in CSUB’s Department of Advanced Educational Studies and Department of Social Work. The Mitchells have three adult children and six grandchildren.

Kasey Nichols

Springville native Kasey Nichols played two seasons of softball (2008 and 2010) while attending PC. Both years she was selected as First Team All-Conference. Nichols also received the designation of All-Nor Cal Athlete in 2010 and was a 2010 Scholar Athlete. In 2010, she was selected as the MVP and was picked as the Female Sophomore Athlete of the Year. After PC, Nichols transferred to Metropolitan State University of Denver where she earned her B.S. in Adult Fitness and Exercise Science, with a Minor in Biology. She now serves as a Preschool Sports Coach, as well as a Health and Wellness Coach in the Denver, Colorado area.

Dr. Robert Aguilar

Retired Superintendent of Delano School District Dr. Robert Aguilar was a product of Delano schools and would later return as a faculty and administrator stating he wanted to give back to the community that gave so much to him. Dr. Aguilar attended Porterville College from 1956 to 1958.

While at PC he was heavily involved in student activities including student government, the Football Club, the Circle K Club, Inter council Club Council, and the California Student Teachers Association. He also played baseball for the Pirates under Coach Jacobs who listed Aguilar as one of the “most effective hitters.”

### Spring 2015 EMT Refresher

The EMT Refresher course is designed for students who possess a current EMT-B card and who need to complete 24 hours of continuing education and sit for the competency-based written and skills certification examination in accordance with the standards of the California State and Health Code. Title 22. Students should possess a current EMT-B card. Students will receive a Certificate of Completion with 24 Continuing Education Units.

The EMT Refresher module is designed for EMT-B students who need all or only a partial EMT refresher course. This review course will provide the most up-to-date information in accordance with the standards of the California State and Health Code. Title 22. Students will receive 8 continuing education units for each refresher course day attended up to a maximum of 24 continuing education units. No continuing education units are provided for the testing day.

### March 6, 13, 20, 21, 2015

All classes are held from 8:30 am - 5:00 pm

Room: HC 2051

Instructor: Mr. Manny Santoyo, EMT-P

4-day Refresher Course: $185.00 This includes 3 days of didactic skills (24 hours) and 1 day of skills

One Day Refresher Course (8 hours) – $50.00
Two Day Refresher Course (16 hours) – $80.00
Three Day Refresher Course (skills not included) – $110.00

Skills Day ONLY – $80.00

Textbook: Textbook is not required for this course but highly recommended. *Essentials of Emergency Care, A Refresher for the Practicing EMT- B*, 3rd Edition

Registration: Porterville College – Admissions and Records 559-791-2220
Matt Bentley
Position: Educational Advisor
Background: I graduated from California State University of Fresno with a Master of Science Degree in Counseling and a Pupil Personnel Credential. I have over 5 years of educational advising and counseling experience. I have experience working at CSUB, The Art Institute of California-Sunnyvale, Mt. Whitney High School, and The Rehabilitation Institute of Chicago. With my professional experience as an academic advisor at California State University Bakersfield, I helped facilitate collaborative relationships with students to meet their unique educational needs. As an Instructor and Academic Advisor at The Art Institute of California-Sunnyvale, I taught diverse populations of freshman students, helping them become acquainted with college life, as well as helping advise students with their personal, social, academic, and career development. My advising goal is to help them acquire the attitude, skills, and knowledge needed to succeed as lifelong learners. I’ve learned to adjust my counseling style to meet the needs of a diverse population, incorporating insights from my unique counseling and advising experience.

Fun Facts: In my spare time I like watching the San Francisco Giants, 49ers, and Golden State Warriors. If I am not watching my teams play then I am reading.

What you bring to PC: A competent school advisor who is able to provide knowledgeable guidance while putting the student’s best interests at heart. My goal is to empower all associates in their personal, social, academic, and career development. My advising goal is to help them acquire the attitude, skills, and knowledge needed to succeed as lifelong learners. I’ve learned to adjust my counseling style to meet the needs of a diverse population, incorporating insights from my unique counseling and advising experience.

Maria Moreno
Position: Educational Advisor
Background: Born and raised in Delano. Graduated from Delano High School in 2005. Went to Bakersfield College, and then transferred to UC Irvine, where I received my Bachelor’s degree in Sociology and a minor in Education. Received my Master of Science in Counseling in March 2014.

Fun Facts: I love to read! I always get lost in a good book. I like reading the books that will or have turned into movies because I get to see if the movie was better than the book (it never is =)). I love to be on Pinterest. My favorite food is Albondigas (meatball soup). My favorite color is purple. My favorite cartoon character is Winnie the Pooh. I like to window-shop a lot. I love watching Documentaries. I like any kind of music.

What you bring to PC: Experience and a fresh perspective. Also, lots of good ideas to help our campus be at its best.
