Jump-Start

July 31 - August 3, 2017

9:30 am to 12:30 pm • 1:00 pm - 4:00 pm

Were you placed in a lower English or math class than you wanted? Are you entering English 101A or transfer-level math but feel like you need a refresher before you begin? If you answered yes to either of these questions, then Jump-Start is for you! Jump-Start is a three-day workshop to help students brush up on their reading, writing, problem-solving, and critical-thinking skills. At the end of the workshop, students can take an assessment to move to a higher class level.
