

GRADUATION REQUIREMENTS

- An Associate in Arts or Associate in Science Degree is awarded to those who complete a minimum of sixty (60) units in Associate Degree level courses with at least a 2.0 grade point average.
- A minimum of twelve (12) units must be earned in residence at this institution.
- At least 18 units must be completed in a major and all courses in the major must be completed with a grade of A, B, C, or P.

CATALOG RIGHTS

Students may graduate under the general degree requirements in effect:

1. At the time of first enrollment as long as continuous enrollment is maintained, or,
2. If continuous enrollment is broken, under the requirements in effect at the time continuous enrollment is re-established and maintained, or,
3. Under the requirements in effect at the time of graduation.

Continuous enrollment means enrolling in at least one term during the academic year. For the purpose of continuous enrollment, an academic record year begins in the Summer and includes the following Fall and Spring terms. Any academic record symbol (A-F, P, NP, I, IP, RD, W) shall constitute enrollment.

Degree requirements include the following: courses in your **major**, one of the three **general education patterns (PC AA/AS, CSU GE BREADTH, or IGETC)**, and the **additional campus graduation requirements** listed below. Combining these areas and, if necessary, elective courses must equal **60 total credits** with a minimum total grade point average of 2.0 in order to graduate.

- **Major Requirements**

The courses required for your major are listed in the college catalog. The catalog can be accessed via the college website.

- **General Education Patterns**

There are three general education patterns you may select from in order to complete your requirements. Your specific academic goal will determine which one of these checklists to follow. The table below will help you decide which checklist is more appropriate for you:

GOAL	CHECKLIST
Not planning to transfer after completing the degree.	Follow the PC General Education Checklist.
Transfer to a California State University (CSU) after completing the degree.	Follow either the CSU General Education Breadth or the Intersegmental General Education Transfer Curriculum (IGETC) checklist.
Transfer to a University of California (UC) California State University (CSU) or independent college after completing the degree.	Follow the IGETC Checklist.

- **Additional Campus Graduation Requirements** Not required to be taken as part of the AA-T/AS-T degrees. In addition to the major and general education requirements indicated above, you must also complete the following campus graduation requirements: **Education** (see PC General Education Checklist) **Multicultural Studies** (see PC General Education Checklist); and 3 units in Physical Education or HLED P112.
- **AA-T/AS-T**
The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections (66746-66749) guarantees admission to California State University (CSU) campus for any community college student who completes an "associate degree for transfer," a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. Please consult the Transfer Information and Requirements section of the General Catalog for details.
- **Dual Degrees/Majors**
To be eligible for multiple Associate degrees a student must complete all graduation requirements for each degree.

Select **ONE COURSE** from each of the following areas:

A. EDUCATION (1 unit)

IGETC is a general education program which community college transfer students may use to fulfill lower-division general education requirements in either the UC or CSU system. Students pursuing majors that require extensive lower-division preparation may not find completing the IGETC option advantageous. Biology, Engineering and Liberal Studies are examples of these majors. Please consult with a counselor/advisor. For a list of UC campus major recommendations regarding IGETC please visit:

<http://admission.universityofcalifornia.edu/transfer/general-education-igetc/igetc/igetc-campus-guidance/index.html>

All courses must be completed with a grade of "C" or higher. A course may meet only one area of IGETC.
