### INJURIES (Students)

Under **NO** circumstance should you transport an injured or ill student to the hospital. Call 9-911.

In the event a student is injured, **NO MATTER HOW SLIGHTLY**, notify the dean or administrator on duty. An Incident Report form must be completed and returned to Maintenance & Operations within 24 hours. This form is available on the Bulletin Board at [www.portervillecollege.edu](http://www.portervillecollege.edu).

### INJURIES (Employee)

Report all work-related injuries immediately (regardless of whether you require medical attention or not) to your supervisor or Dean and Human Resources. Work related injuries are covered by Workers' Compensation benefits, however, a delay in reporting could impact your claim. For more information on Workers' Compensation, contact Human Resources.
